

# No false testimony (Sermon)

# Introduction

**Who are our neighbours?**

**What is meant by “false testimony”?**

# The importance of reliable testimony

If a man presents himself as a witness but is demonstrated to be a perjurer, he shall weigh and deliver 15 shekels of silver.

If a man accuses another man  
and charges him with homicide  
but cannot bring proof against  
him, his accuser shall be killed

If a malicious witness takes the stand to accuse someone of a crime, the two people involved in the dispute must stand in the presence of the Lord before the priests and the judges who are in office at the time. The judges must make a thorough investigation, and if the witness proves to be a liar, giving false testimony against a fellow Israelite, then do to the false witness as that witness intended to do to the other party. You must purge the evil from among you.
