Hearing God's Voice

I wonder what you think of when I mention the topic of hearing God speak to us? / Maybe you hear God all the time and know exactly what He is saying to you, but that is not most people's experience. Most of us struggle with hearing God's voice at times and have questions like, "How do I hear God?" "In what ways does God speak?" "How can I be sure that it is God speaking to me and that I am not getting it wrong?" If you would like to hear God more and explore these questions and more, there is a 6-week course that Sonya is planning to run May / June time. It is a course which has helped many people to learn to hear God's voice more. If you are interested, **please contact Sonya**. She will then try to find the time that most people are available.
